INFRASTRUCTURE

Texture Clothing Company is equipped with fully integrated manufacturing units with 4000 machines of 12 production line in Tirupur. Our Production Capacity is 5,00,00 Tee shirts per month

CUTTING

Our cutting unit with imported band knife cutting machines, straight lay cutting machines. With this advanced technology auto cutter, we are able to cut 10,000 Pcs per day.

STITCHING

With its wide range of advanced machinery & proficient labor capable of producing stylized garments with perfection & finesse, the production lines are fully integrated and operational with various types of powered sewing machines.

CHECKING

The completed garment is then meticulously checked to ensure it meets the specifications of the client.

IRONING

Once the checking is done, the garment is given the finishing touches by pressing it using a steam iron.

Packing

We buy our packing materials from leading suppliers and professional providers. We use Oeko Tex certified labels and tags produced from the certified suppliers.

QUALITY, R&D, AND COMPLIANCE

- Quality plays the key role in the business expansion for us. All possible measures are taken at Texture Clothing to maintain the quality.
- **Major Functions:** Fabric Inspection, Lab Tests, Initials, Production Piece, Final Inspection, Co-ordination with clients Q.C.
- **Inspection Certificate:** In House AQL/ as per Buyers' Satisfaction.
- **Lab Tests:** Before putting the processed fabric into Operation Fabric is sent for Lab Tests and Inspection. Only after the satisfactory report the fabric is issued for cutting, sewing and finishing.
- Apart from maintaining the aesthetic value of garment we also focus on achieving the same through exercises at time of order closure & pre-production stage.
- We are a fully compliant company
- As a manufacturer we have the **Sedex Certifications**.

WHY TEXTURE CLOTHING?

Texture Clothing understand the buyer's point of view and has identified its client's crucial requirement and thus provides them with its best service and manufacturing facilities.

A personal meeting can also be setup and would be helpful to respond to your unanswered queries if any and this would also ensure why "**Texture Clothing**" would be your only choice when it comes to "**GARMENTS**".
